

Introducing...

Gulf TRANSCREST® SYNTHETIC MULTI-VEHICLE ATF

Nu-Tier Brands/Gulf Lubricants Introduces:

Gulf TRANSCREST® SYNTHETIC MULTI-VEHICLE ATF

Automatic Transmission Fluid - Product ID 330022

This new lower viscosity, full synthetic ATF offers enhanced performance benefits for both new and older-model transmissions including outstanding thermal stability, improved fuel economy capability and optimized frictional properties to help prevent shudder for longer service life.

Application: Transcrest® Synthetic Multi-Vehicle ATF is designed for most modern fuel efficient 5, 6 and 7 speed transmissions. Highly recommended and suitable for use in transmissions specifying **DEXRON-VI®** or **Ford MERCON® LV** and most late model transmissions manufactured by European, Asian and North American OEMs including **Toyota WS, Honda DW-1, Nissan Matic S, Hyundai SP-IV** and **Ford SP**.

Details: Available in 12/1 Qt, 6 Gal ProPak, 5 Gal Pails, 55 Gal Drums, Totes & Bulk

Note: Gulf Transcrest® Synthetic MV ATF will be replacing **Gulfpride® Universal ATF #332023** which will become obsolete as of 3/15/16.

To place your orders, or for more information, please call **800-566-4853**
