GULF No Rust[®] C-GP GENERAL PURPOSE RUST-PROOFING OIL

Gulf No Rust[®] C-GP Rust-proofing Oil is a general purpose, soft film type rust preventative formulated with unique additives to impart excellent water displacement and fingerprint neutralizing properties. It is ideally suited to provide protection against metal corrosion and rusting under mildly corrosive conditions in covered storage or packaged shipment handling.

FEATURES AND BENEFITS:

Gulf No Rust[®] C-GP is formulated with low viscosity base oils, solvent and a unique combination of rust-preventive additives. The solvent, which provides ease of application, evaporates leaving a highly protective oily film to protect the metal surface. This product's metal wetting properties are designed to displace water from the surface promoting a moisture-free area. This product's unique water displacing and fingerprint neutralizing properties make it an excellent choice as a rust preventative oil in various applications.

APPLICATIONS:

Gulf No Rust[®] C-GP should be applied to clean surfaces to provide maximum protection. Apply product by brushing, spraying, or dipping. Complete coverage is essential. Dipping is the most effective method of application, in which case excess product should be allowed to drain off. This product is ideally suited for steel sheeting, bearings, and highly machined surfaces under relatively mild conditions of storage, shipment, or handling. It is best suited for indoor protection and will typically provide 12 months of protection.

*Typical Properties

Product Code	Test Method	335380
Specific Gravity @ 60°F	ASTM D287	0.810
Viscosity @ 40°C, cSt		2.0
Viscosity, SUS @ 100°F	ASTM D445	32 - 36
Flash Point, COC, °F	ASTM D92	>160°F
Color	ASTM D1500	L1.5
Film Type		Transparent, oily
Water Displacement		PASS
Humidity Cabinet, 120°F	ASTM D1748	+100 (hours)

**Typical test data are average values only. Minor variations which do not affect product performance are to be expected in normal manufacturing.*

AVAILABILITY: Gulf No Rust[®] C-GP is available throughout Gulf's marketing area. Your Gulf representative can provide specific information. Need additional information? Call Gulf @ 1-800-566-GULF (4853) or visit Nu-tierbrands.com.
