Nu-Tier Brands/Gulf Lubricants Introduces:

GulfTEC® FULL SYNTHETIC EURO ENGINE OIL

Engineered to satisfy stringent OEM warranty requirements

Words matter when it comes to engine oil performance. “OEM Approved” means all steps were taken to assure that the oil manufacturer has gone through the technical product development & rigorous testing protocol that precisely meets and is approved against the OEM engine oil performance requirements.

FEATURES

GulfTEC® Full Synthetic Euro 5W-40

- OEM Approvals: Porsche A40, MB Approval 226.5/229.3/229.5. Approved under VW standard 502 00/505 00 in gasoline, diesel & turbo charged engines.
- Meets or exceeds newer European ACEA requirements of ACEA A3/B4-12
- Meets, exceeds and provides dependable performance for BMW Longlife-01, Audi, Opel GM-LL-B-025, Renault 710-700 & PSA B71 2296 (Peugeot)

BENEFITS

- Full synthetic, for luxury cars, sport utility and high performance vehicles
- Excellent cold weather start-up and pumpability provides faster oil flow at start-up
- Optimizes drain interval capability
- Enhanced protection against varnish build-up & sludge formation in critical engine parts
- Outstanding high temperature protection under extreme driving conditions

DETAILS

- Available in two grades, 5W-40 & 5W-30
- Available at Niagara Falls, NY source point
- Immediately available in bulk, drums and pails
- Coming soon in 12/1 quart case and 6-gallon ProPak
