

Introducing...

NEW PRODUCTS FOR 2018

Nu-Tier Brands is pleased to announce the introduction of several new products for 2018. These premium formulated lubricants are engineered to provide outstanding performance and long term dependability.

FEATURED PRODUCTS:

- **[Gulf Compressed Natural Gas Engine Oil \(15W-40\)](#) / Product ID #335482**
Premium high-performance, heavy-duty engine oil formulated specifically for spark-ignited, CNG- and LNG-fueled truck and bus engines. Meets latest **Cummins CES 20085** and **Detroit Diesel 93K216** engine oil specifications.
- **[Gulf Transcrest® MTF 40](#) / Product ID #337210**
Synthetic **Manual Transmission Fluid** formulated to meet the new performance demands outlined in new Eaton PS-386 specification (*supersedes PS-164 Rev 7, SAE 50*). Designed for fuel efficiency and extended drains in heavy duty commercial vehicle manual transmissions that require a **non-EP** fluid.
- **[GulfSyn FE 75W-85 Gear Oil](#) / Product ID #337195** synthetic lightweight gear oil. Full synthetic, GL-5, fuel-efficient axle lubricant designed for use in many late model BMW, Toyota LT, Dodge, Chrysler, Ford and Mercedes-Benz differentials where OEM specifies a synthetic lightweight gear oil.
- **[Gulf Harmony® AW-HD Hydraulic Fluids](#) / Product ID's #334400 ISO 100, #334402 ISO 150, #334404 ISO 220, #334406 ISO 320**
High viscosity, heavy duty hydraulic / circulating oils formulated for superior protection in hydraulic systems often found in mobile and stationary equipment that operate under severe conditions.
- **[Gulf High Tack Winter Bar & Chain Oil](#) / Product ID #335702**
Newly formulated for colder temperatures to help reduce bar, chain, and sprocket wear. Designed to help your chainsaw cut better, last longer and improve lubricity in colder conditions.

DETAILS

- Available at Niagara Falls, NY source point
- Available in bulk, drums and pails
