## Gulf CUT 170C TRI-PURPOSE SCREW MACHINE OIL

**Gulf CUT 170C** is a tri-purpose, light-colored cutting oil. It can also be used as a machine tool lubricant and hydraulic fluid.

### FEATURES AND BENEFITS:

The non-staining feature of **Gulf CUT 170C** makes it ideal for use in the machining of copper, but it can be used for most steel alloys where machinability ratings range from light to moderately severe. **Gulf CUT 170C** is an ideal choice in automatic machine tools where leakage from one system to another may cause problems.
