

LUBRICANTS

Product Data Sheet

Gulfcut® 170C

Tri-Purpose Screw Machine Oil

Light-colored cutting oil that can be used as a machine tool lubricant and hydraulic fluid. Suitable for a wide range of ferrous and non-ferrous metals and machining operations. Ideal choice in automatic machine tools where leakage from one system to another may cause problems.

Features and Benefits

- Light, transparent color
- High lubricity for superior finishes
- Compatible with most materials
- Promotes reduced tool wear

Applications

- Automatic screw machines
- Tapping and threading of mild steel
- Sawing, Tapping
- Shaping
- Drilling & milling
- Turning

Typical Properties

Product Code	Test Method	335310
Viscosity SUS @ 100°F	ASTM D-2161	170
API Gravity @60°F	ASTM D-287	22.7
Flash Point, COC, °F	ASTM D-92	350
Chlorine, wt%		1.5
Fat, %		1.0

These properties are typical of current production, minor variations are to be expected in normal manufacturing.
