## GULFTEC® FULL SYNTHETIC HIGH MILEAGE MOTOR OIL

*Specially designed for high-mileage vehicles*

Synthetic base oils uniquely engineered to provide added engine protection for high mileage, gasoline powered engines or vehicles of any age. Protects new vehicle warranties where fully licensed API Service Category SP and ILSAC GF-6A oils are required. Proven to reduce high temperature varnish deposits, ring sticking and an excellent choice for use in all seasons. A balance of effective additives that maintain the condition of seals and gaskets that helps control leaks and oil consumption, particularly during severe driving conditions.

### Features and Benefits

- Provides extra wear protection
- Excellent low-temperature pumpability
- Provides extra cleaning to critical engine parts
- Condition seals and makes them less susceptible to leaking

### Approvals

- API SP / ILSAC GF-6A
- Previous API “S” categories including SN Plus, SN, and SM

### Applications

- Lower mileage vehicles, including new cars still under warranty
- Older mileage and rebuilt passenger cars, light duty trucks and SUVs
