New Product Launch

Gulf Full Synthetic High Mileage Motor Oil

Specially designed for high-mileage vehicles

Nu-Tier Brands is excited to announce our recently added **Full Synthetic** high mileage motor oil. This exceptional formula not only provides superior engine protection and performance but also addresses the unique needs of engines with over 75,000 miles. Our new formulation is engineered with enhanced wear additives, detergents and seal conditioners to safeguard critical engine components. You can trust our Full Synthetic High Mileage lubricant to extend the life of your vehicle and keep it performing at its best for many more miles to come. This lubricant protects new and used vehicle warranties, where API Service Category SP and ILSAC GF-6A oils are required.

Features and Benefits

- Excellent low-temp pumpability
- Provides *extra* wear protection
- Extra cleaning to critical engine parts
- Maximum oil drains
- Seal protection to prevent oil leakage
- Approved for API "SP" category including SN Plus, SN, and SM

ISO Viscosity Grade	Product ID#	Approvals
